AMBANK GROUP LAUNCHES THE AMBANK-MYKASIH COMMUNITY PROGRAMME IN MELAKA

Wednesday 14/12/2011

KUALA LUMPUR, 14 Dec (Bernama) -- AmBank Group recently launched the AmBank-MyKasih Community Programme in Melaka and this will be the ninth programme launched nationwide. In total, AmBank Group has allocated a total of RM1 million annually for this programme and currently has committed to 11 locations, including Melaka.

AmBank Group first teamed up with MyKasih Foundation in November 2009 in which they sponsored 100 lower-income families in Sentul, Kuala Lumpur. The success and efficiency of the MyKasih food-subsidy system have inspired AmBank Group to continue supporting MyKasih. Following this inaugural launch, the Group replicated this programme in Bayan Baru, Pulau Pinang; Kuching, Sarawak; Kota Bharu, Kelantan; Kota Kinabalu and Sandakan, Sabah; Subang Jaya, Selangor and Klang Valley.

"A project such as this helps to meet our objective to play an effective corporate role as a socially responsible corporate citizen. AmBank Group is very happy to be given the opportunity to participate in a community project like this which addresses real needs, is of real value while delivering sustainable benefits," said Tan Sri Azman Hashim, Chairman, AmBank Group.

"When we look at contributions to the underprivileged and the hardcore poor, we are looking at ensuring that the contributions do reach the intended recipients and that they enjoy visible and tangible benefits. The funds will ultimately reach the family members directly not in cash but in the form of essential goods they purchase from selected retailer. AmBank Group has committed RM104,000 to 100 families in Melaka," added Tan Sri Azman.

This project gives AmBank Group the opportunity to participate in a sustainable community programme that will reach to the people in need. The recipients will be the main beneficiaries without any intermediaries. Hence, they get to enjoy the contributions in a straightforward process.

MyKasih Foundation Director Tan Sri Megat Najmuddin said, "MyKasih Foundation is grateful for the continuous support of our donor partner like AmBank Group. Corporate philanthropy has become an integral part of most organisations and is helping governments all over the world address poverty related issues. We hope more companies will be inspired by AmBank Group and be part of the MyKasih programme as we continue to bring positive changes to more low-income families".

AmBank-MyKasih Community Programme also manages a series of courses designed to suit the needs of members of recipient families. Volunteers from donor's organisation and NGOs help conduct basic financial literacy courses aimed at helping adult family members to manage their finances as well as boosting their budgeting skills.

"As one of the main components in the AmBank-MyKasih Community Programme, we have also incorporated financial literacy sessions whereby participating families will attend talks conducted by volunteers who will share their expertise and knowledge in financial management. As part of our commitment towards sustaining our CSR initiatives, this will provide the fundamental building blocks for the development of society," said Tan Sri Azman.

The AmBank-MyKasih Community Programme has been a success and recipients are pleased to have the opportunities to make their own purchasing decisions. With the launches in Bayan Baru, Pulau Pinang; Kuching, Sarawak; Kota Bharu, Kelantan; Kota Kinabalu and Sandakan, Sabah; Subang Jaya, Selangor and Klang Valley previously, approximately 825 households are now the beneficiaries of this programme.

AmBank Group continuously plays a CSR role for the community at large, irrespective of race, creed or religion in the form of cash contribution to deserving charitable causes.

About MyKasih Foundation

MyKasih Foundation is a non-profit organisation that aims to help poor and needy Malaysians through its food distribution, financial counselling and training programmes.

MyKasih pioneered a new way of getting food aid to the poor and needy. With just a swipe of their MyKad, more than 10,000 poor families nationwide are getting free food items from stores near their homes. They can even choose when and what to buy from 10 categories of items up to RM80 each month. The scheme, implemented by the MyKasih Foundation, allows the poor to buy the basic necessities such as rice, bread, cooking oil, biscuits and milk by keying in a unique PIN into a card-reader at the payment counter. MyKasih then electronically pays the retailer within 48 hours of the purchase.

MyKasih Programme is a private initiative with collaboration between MyKasih Foundation and many philanthropic organisations namely DIALOG, Petronas, AmBank, Sime Darby, Technip, ConocoPhillips, Langsat Terminal One, Murphy Oil and Mubadala Oil & Gas and many others.

The Founders of MyKasih Foundation are the Executive Chairman of Dialog Group Berhad, Mr Ngau Boon Keat and his wife. DIALOG funds most of the operational costs of the Foundation and the technology supporting the MyKasih Programme is developed by ePetrol Holding, a subsidiary of DIALOG.
