## GIANT EMPOWERS MYKASIH FAMILIES THROUGH TRAINING AND JOB PLACEMENT:

Giant, one of MyKasih Foundation's earliest partners to bring food aid to low income households, has expanded its support with a recruitment and job placement programme for members of recipient families. Through this community programme, GCH Retail Malaysia Sdn Bhd, the owner of Giant, aims to empower the underprivileged to become financially independent. A series of job interviews for MyKasih recipient families were held at three Giant hypermarkets in Puchong, Batu Caves and Cheras recently. Of the 40 MyKasih applicants interviewed, eight have been offered jobs and have started working at the Giant outlets closest to their homes. Applications are still being processed for the remaining applicants. In the picture are (from left) GCH Retail (Malaysia) Sdn Bhd's general manager (Human Capital Development) Azmin Abdul Aziz; general manager of Marketing, Norine Erica Majaman; Siti Khairon Binti Shariff, a member of the Board of Trustees of MyKasih Foundation; and Jeffrey Perera, managing director of MyKasih Foundation.
