

Rice, eggs and bread top popular items' list

KUALA LUMPUR: Rice, eggs and bread topped the shopping list of Malaysians using the RM100 Sumbangan Asas Rahmah (Sara) cash aid.

Subang Jaya Mydin Mall general manager (operations) S. Vishnu Vanthana said the three items had seen the highest demand so far.

He said some families also bought up to four 10kg bags of rice in a single visit.

"The second most popular item was eggs, followed by white bread," he said.

To streamline the payment process, he said the Subang Jaya Mydin branch opened 16 counters equipped with MyKad scanners provided by the MyKasih Foundation.

He said one of the counters was also designated for the use of senior citizens.

He added that the outlet had increased staffing, with 32 workers assigned to the MyKasih counters, with each counter manned by two staff.
